

## D6526

### 8-Inch 100W Professional Full-Range Loudspeaker

#### Description

The D6526 is a 100W professional full-range loudspeaker featuring a phase-inverted bass-reflex design. The wooden enclosure is equipped with a perforated metal grille and offers multiple suspension points, as well as a bottom slot for wall or tripod mounting, ensuring versatile and high-quality audio performance.

#### Features

- Phase-inverted bass-reflex two-way loudspeaker system.
- Wooden enclosure finished with black speckled water-based paint; perforated metal grille backed with acoustic damping material.
- Multiple suspension points allow for installation using rigging rings and ropes.
- Bottom slot accommodates wall-mount bracket or tripod stand mounting.
